

# NOCK SUMMER READING

Summer Reading begins

**JUNE 11TH!**

**READ WHATEVER YOU WANT!**

The Nock has **NO** required books this year, instead we will be keeping track of how much time we spend reading. Choose books that are thrilling, funny, dramatic, or deep. Try new authors, read with a friend, read at the beach, or with a flashlight under the stars. Whatever you do, **READ!** Then choose something you read and create a book spine to add to our all-school bookshelf display!

Anytime you read, log your minutes to earn prizes through our local library. Here's how:
